

Civilian University Partners

Each civilian university partner has gone through a review process that links their AU-ABC programs to one or more CCAF degrees. Students work directly with the school to enroll and manage degree program progress. Upon completion of all requirements, the partnering institution will award the baccalaureate degree. Currently more than 55 approved colleges and universities are participating. For the most up-to-date information on participating schools and programs, visit the Air Force Virtual Education Center (AFVEC).

Accreditation

AU-ABC is a voluntary program and the parameters for inclusion of institutions are based on tuition assistance guidelines. Airmen should give careful consideration to course transferability and acceptability and check the accreditation source of the target AU-ABC school to ensure the program and school meet their unique educational requirements. Accreditation information is available for review on the AU-ABC search page in the Air Force Virtual Education Center (AFVEC).

Key Features

- **MAXIMIZES** application of military career education and training
- **Builds on CCAF degree**
- **CCAF graduates can earn bachelor's degrees after completing NOT MORE THAN 60 semester hours beyond their associate's degree**
- **Every participant receives a binding degree completion contract that locks in transfer credit and states remaining degree requirements**
- **Air Force-friendly colleges and universities award the bachelor's degrees**
- **Many degree choices that meet Air Force needs**

Visit the Air Force Portal

The Air Force Portal is the gateway to the Air Force Virtual Education Center and AU-ABC. Once connected, students can view their education record, CCAF credits earned, apply for Military TA and shop for baccalaureate degree programs. Visit the AF Portal at <https://www.my.af.mil>.
